LOADS OF LOVE

Thank you to all our amazing patients who helped us spread a LOAD of Christmas cheer to the community with our **LOADS OF LOVE** Christmas appeal! We were overwhelmed with the response, and greatly humbled by your generosity!

Covid-19 – it's *still* here?!

Even the new year couldn't shake the presence of Covid-19 in Australia. That's why it is still important to remain Covid vigilant by:

- Following the latest guidelines set by QLD Health
- Practicing social distancing when out and about (the 1.5m rule)
- Washing your hands regularly
- Staying home and getting tested if you are feeling unwell or are experiencing **ANY** Covid-19 symptoms, including running nose, a fever, shortness of breath, loss of taste or smell

Please let reception know when booking your appointment if you are experiencing any Covid Symptoms, or have recently travelled interstate

Thank you for your continued patience as we navigate this pandemic
